### SAVE STAFF TIME, REDUCE SCHOOL DEBT

- ParentPay is a web based service for schools that enables parents to make secure online payments by credit and debit card, or pay cash at local stores through the PayPoint network.
- It enables schools to collect and reconcile income online for a variety of items including: school meals, trips, clubs and extra-curricular activities.
- The service also enables Lancashire schools to settle income directly to the Lancashire County Council bank account and local school accounts.
- Integrates with all MIS.

### AGENDA

#### What will the webinar cover?

- **Welcome and Introduction:** Meet our webinar hosts from ParentPay.
- **Cyber security and Multifactor Authentication for school users:** An overview of our Best In Class Cyber Security: We have spent over a decade optimising our security posture and have consistently set the industry standards since inception.
- **Housekeeping hints and tips:** Keeping your ParentPay site up to date and some helpful tips on day to day tasks.
- **End of year assistant:** The EoY has been designed to help schools to complete essential end-of-year and new academic year tasks. By ensuring these tasks are completed early, the school's ParentPay site will be prepared for the start of the new year, reducing the tasks to be completed during that busy period.
- **ParentPay Clubs:** Introduce our NEW clubs module with an overview of limited numbers for bookable sessions, multiple prices, and registers and reports.
- **Schoolcomms SIMS Messaging:** Introduction to the service. Overview on sending free app notifications, unexplained absences SIMS writeback, and link to ParentPay via the School Gateway app.
- **Additional information and AOB:** Information about training, support, further information and a question and answers session.
